Website Resources

We have been updating our website with key resources for all museums to access.

Recently we have published a new resource on Advanced Copyright with Naomi Korn in our intellectual property rights series.

<https://www.museumdevelopmentyorkshire.org.uk/resource-category/intellectual-property-rights/>

The screenshot displays the Museum Development Yorkshire website. At the top, the header includes the organization's name, logos for Arts Council England and York Museums Trust, and a navigation menu with links to Home, About us, News, Training and events, Resources, and Contact us. A purple banner below the header reads "Resource Category: Intellectual Property Rights". The main content area features a list of 11 items under the heading "Intellectual Property Rights Complete Resource". To the right of this list are links for a "Zip archive", a timestamp "18 June 2018 at 15:33", a link to "Intellectual Property Rights", and a "Download now (3.86MB)" button. On the right side of the page, a sidebar titled "Resource categories" lists various topics including Case Study, Celebrating Museums, E-Bulletin, Grant claim forms, Intellectual Property Rights, MDY Support Opportunities, Renaissance Yorkshire, and Tools and Reports.
