## Explore our funding

### Project Grants

Project Grants is our open access programme for arts, museums and libraries projects, funded by the National Lottery.

### How we invest public money

We invest money from Government and the National Lottery to support arts and culture across England

### Other sources of funding

We're not the only people investing in art and culture. Find out more about other funding bodies, databases and directories [here](#)

## Step 1: Take the quiz

Our quiz can help you think about different aspects of your project and get you ready to begin your application

Each question focuses on a different aspect of your project, and offers guidance on how you can make a strong application.

# Museum projects

Arts Council National Lottery Project Grants is our open-access programme for arts, museums and libraries projects.

**Published 12 February 2018**

# Access support

Do you have an access requirement?

You can download an Easy Read versions of our **How to apply** guidance.

Project Grants: How to apply Easy Read guidance - **download**

We provide pre-application support for applicants with access needs, including covering the cost of access support workers. We also cover the cost of personal access costs associated with the project you are applying for.

**Find out more about Access support**

Do you require a document in an alternative format? We can provide large print, Braille, easy read and audio versions of all our documents. **Contact our Customer Services team** to make your request.

# Step 3: Register on Grantium

Before you can start an application you need to create a user account and applicant profile.

You cannot start your eligibility questionnaire or application until we've approved your new applicant profile, which may take up to **ten working days**.

Once you're registered and approved, you're ready to start your application.
