We are very impressed with how many people were interested in attending the [#MiltonDig](#). In all we've engaged with 3 schools and 100 volunteers, who's been helping with digging, finding and cleaning the finds. A huge [#THANKYOU](#) to everyone involved!

# VOLUNTEERING

**6,300hrs in 6 months  
Up 36% on last year**

**‘I started volunteering when I was recovering from both a physical + mental illness. Volunteering with Museums helped me to carry on recovering and gave me an outside interest which indulged my love of history. I also feel that it is a socially useful job.’**
