## News and Notices

### Escaping Lockdown Grants Grants assessed weekly - apply now

#### MDY Small Development Grants 2018-22

In response to the current crisis we are launching a grant fund to help you better survive now and prepare to reopen and relaunch your museum.

We are encouraging projects of £500 to £1000, with NO match funding. We do require a clear project plan that addresses either:

- A key immediate issue that has resulted from the current lockdown
- Helps you connect with audiences while you are closed
- Helps you engage with volunteers and staff while your museum is closed
- The reopening and relaunching of your museum including measures to make your visitors and your staff and volunteers feel safer while on site

We require a clear action plan that relates to your museum's key purpose and, if possible, a timetable. We recognise that we are still in uncertain times so if the plan or timetable needs to change, we are prepared to be flexible as the situation develops.

**The fund is now live and available on an open application basis, with assessments carried out weekly. All monies must be spent and claimed by the end of the financial year. We strongly advise you to speak to your Museum Development Officer before submitting your application.**

For speed and simplicity, we are using the existing small grant system. (the small grants do remain open for larger projects). For the guidance notes and links to the online application form, visit: [bit.ly/MDY18SGApp](https://bit.ly/MDY18SGApp).

**REMEMBER: If you need any further advice please contact your local Museum Development Officer who will be pleased to comment on potential projects for funding and assist with any queries on the paperwork.**

## Introducing the Family Friendly Museum Award From Home!

Kids in Museums are delighted to open nominations for our new award, celebrating how museums and heritage sites have supported families through lockdown.

We are inviting families and museums to share what they think is the best virtual activity created by a museum, gallery, historic house or heritage site.

Has your family enjoyed taking part in an online activity? It could be a live broadcast, craft activity, quiz, social media challenge, game or something else! We want to hear about it.

**To find out more and make a nomination, visit:** [kidsinmuseums.org.uk/what-we-do/family-friendly-museum-award-from-home](https://kidsinmuseums.org.uk/what-we-do/family-friendly-museum-award-from-home).

## Your Week Ahead

### Share Your Lockdown Experience and Learn from Others at Elevenses with MDY

Come along to the MDY virtual Elevenses. Every Monday and Thursday for a cuppa and a chat – you will have to bring your own drink! These are an informal opportunity to share experiences and thinking (and enjoy some different company). We will have two different types of Elevenses, one themed around the three Accreditation strands and the other open to talk about anything and everything.

#### Win a Yorkshire Cuppa!

As we can't get you a coffee or tea in these informal virtual meetings we have decided to hold a **prize draw for Yorkshire branded tea or coffee**. Each participant will be entered in the monthly draw and we will contact winners to get prizes across during the lock-down or shortly afterwards.

Currently we are using Skype for Business. Don't worry if you don't have Skype for Business, you can use this link: [www.skype.com/en/business](http://www.skype.com/en/business), you will have to download the web app but don't need a Skype account. It is a different from general Skype. People have had trouble connecting if they have other similar programmes, such as Zoom and Teams open when they try to connect. If you can't hear, try leaving the call and rejoining.

- **Monday 25 May - Bank Holiday (no Elevenses)**
- **Thursday 28 May**  
**Elevenses with Liz and Alan, focusing on the topic of Users and Their Experiences**  
[meet.lync.com/yorkmuseumtrust/lily.wilks/96K906PB](http://meet.lync.com/yorkmuseumtrust/lily.wilks/96K906PB)

**\*\*Please note the above links are unique to each individual session\*\***

If you have any questions to be discussed please send them to Lily:  
[Lily.Wilks@ymt.org.uk](mailto:Lily.Wilks@ymt.org.uk). Please also email Lily if you experience any trouble connecting and we will attempt to solve the issue.

## Your Lockdown Initiatives

### Adapting to New Ways of Working

We would really like to hear how other museums are evolving during the current crisis, for instance York Museums Trust are encouraging people to grow flowers from seeds for a community display - see below.

**Your projects will provide ideas and inspiration to everyone! Send your features to: [lily.wilks@ymt.org.uk](mailto:lily.wilks@ymt.org.uk).**

### Museum Gardens at Home

York Museums Trust are encouraging people to plant any flower seeds they have and to share their experiences, tips and results through social media, creating an online citizen gardening project.

The ambition is for people to then bring their blooms to York Museum Gardens for a community display, once they have reopened for the public later this year. Make sure to upload your pictures to Twitter and Instagram with the hashtag [#MuseumGardensAtHome](https://twitter.com/hashtag/MuseumGardensAtHome)!

And free seeds will be delivered with food parcels through food banks in the city.

Jo Killeya, the Trust's head of public engagement, said:

'We hope people young and old and of all levels of experience will give gardening a go this spring, documenting and sharing their experiences online with us'.

Everyone is encouraged to take part – the flowers can be any seeds people are already growing – the hope is to make the activity as accessible to everyone as possible without the need to leave home.

**Once the Trust is able to reopen the Gardens we will set a date for people to be able to come and drop off their blooms to create the final display.**

**For more information visit:**

**[www.yorkshiremuseum.org.uk/museum-gardens-at-home](http://www.yorkshiremuseum.org.uk/museum-gardens-at-home).**

## Share Your Resources!

During this time it is more important than ever that you focus on your own wellbeing! Each week we will look at ways to support you.

**If you come across resources that help you and would like to share with others, please send them to Liz Denton [liz.denton@ymt.org.uk](mailto:liz.denton@ymt.org.uk).**

## Be a Best Mate

This year, Mental Health Awareness Week is all about kindness, but it can be difficult to break down what 'being kind' really means. Which is why CALM is using Mental Health Awareness Week to encourage everyone to make a commitment to ourselves, to our mates, to our colleagues and family. Not just when we're finding things tough, but when we're happy, sad, angry or something in between.

[www.thecalmzone.net/heres-how-to-be-a-best-mate-this-mental-health-awareness-week](http://www.thecalmzone.net/heres-how-to-be-a-best-mate-this-mental-health-awareness-week).

## Jobs and Consultancy Opportunities

### Market Engagement Hull Maritime Museum Object Removal & Storage

Hull City Council is currently in the process of undertaking market engagement to inform its procurement approach to commissioning the packing, removal, storage and return of the majority of Hull Maritime Museum's historic collection.

Please note this is not a formal tender process and will not result in the letting of a contract. The Council is testing the market to gather information and ascertain the level of interest in this particular project.

It is currently anticipated that an open procurement process for this contract will be advertised during June 2020, with a contract start date for September 2020.

[Click here to find out more.](#)

**Deadline for expressions of interest: 5.00pm on 29 May.**

## Funding Opportunities

How do you get water to giraffes? Find out in this lovely video by Longleat Safari Park. [www.facebook.com/watch/?v=699117957328363](https://www.facebook.com/watch/?v=699117957328363).

Since it is Creativity and Wellbeing week I have been looking for crafty things to do to stay sane. I have been doing a lot of jewellery making personally but I am always in awe of those who can draw or paint. Look at this wonderful video by Deepak's Art and Craft! ## Dieter's Nature Notes

The unravelling of fern fronds is a good sign that spring is sprung. I love the way that the new leaves are all wound up when young. These are called croziers, presumably after their resemblance to a bishop's staff.

This is probably the common variety the Male fern *Dryopteris filix-mas*.
