

VOLUNTEER PASS 2021/22

HOW DOES IT WORK?

The Northern Museums Volunteer Pass allows volunteers to FREE entry and/or additional benefits (as listed) at participating museums in Yorkshire and Humberside, North East and North West regions. Full details of participating museums and individual offers are outlined in this leaflet.

Please check the details of the participating museum on-line before your visit.

Museums will be issued with named Institutional Passes, which they can loan out to their volunteers, and also Individual Passes. The Individual Pass is not transferable. Once you have received your pass, please enter your name and the museum at which you volunteer. The Pass entitles only the bearer to the benefits detailed in this leaflet. Any accompanying friends or relatives will need to pay standard charges unless the member museum specifically offers benefits to them as well.

PLEASE CHECK the list of participating museums and their opening times before making your visit and remember to take your Volunteer Pass. This is particularly important this year in light of the Covid-19 situation as most museums are operating pre-booked visits when they reopen.

PLEASE REMEMBER:

The Museum Volunteer Pass scheme is a mutually beneficial partnership between participating museums. Each museum ensures that fellow volunteers receive a warm welcome, FREE entry or other advertised benefits when they visit. Equally, each museum will check that passes are not misused, and are accessible only to their active volunteer base.
